Crackers With A Kerosene Flavor

They are known as the common bulk soda cracker. All grocers don't have them in this flavor-some of them do.

It's no fault of the grocerman. He sells bulk soda crackers because a few customers still buy them as a matter of habit. He also sells kerosene.

Between measuring out kerosene and putting bulk biscuit in a bag things will get mixed.

If you do not fancy the kind with the kerosene flavor ask for Uneeda Biscuit in the In-er-seal Package.

Made with the utmost care; clean bakeries, clean bakers, best material. Packed in an air tight, dust proof package that does all that it was made to dokeeps the biscuit fresh, clean and dry. They reach you in perfect condition—just as they left the oven.
